## 2018 Event Sponsorship Information

**VolunteerFest**, a county-wide day of service held each year on National Make A Difference Day, will bring together hundreds of volunteers to complete projects for local Fairfax County nonprofits and government agencies on **Saturday, October 27, 2018**. These projects can only be accomplished through a highly organized plan, additional supplies, and strong volunteer support serving at many sites throughout the county. At the event's conclusion, each one of us will see the difference that many hands on a single day can make on a community.

**By sponsoring this event**, your business will receive high visibility and advance promotional opportunities. Your company will also have networking access, visibility and marketing opportunities at the kick-off event with elected officials, business and community leaders, and hundreds of service-minded professionals. Your company also benefits from team building by reserving space for employees to volunteer on a meaningful project. As millions of people across the county will be volunteering in their communities, you will make a difference in your own!

### Examples of Projects:

- Registering families for a holiday assistance program
- Building an outdoor classroom
- Sorting and organizing donated clothes and household items
- Assisting in tree and habitat restoration
- Participating in local fairs and festivals
